DIRECTOR'S MEMORANDUM NO. 10
Revision No. 1

Discontinuance of Long Distance Telephone Reports

In connection with Director's Memorandum No. 10, effective January 1, 1943, the monthly reports requested therein, covering long distance telephone communications within the regions, branches and divisions, are no longer required.

It is, however, requested that each branch and division arrange to have someone designated to keep careful check on long distance telephone communications in order that this service may be used only in the case of necessity.
